

Private Pilot Ground School

Mt. San Jacinto College has partnered with Upper Limit Aviation to offer a Private Airplane Pilot Ground School Certificate.

There is a HIGH demand for pilots!

If you are thinking about a career as a pilot, now is an excellent time to get started!

In 6 weeks you will learn

- Required basics of aeronautical decision-making
- Navigation
- Ground training portion of the FAA certification process

All very important parts that will make you a knowledgeable pilot.
